

## **A Hundred Thousand Welcomes**

There's a legal legacy  
for the royal dignitary  
of more than Georgian silver.

Sizing Ireland,  
we launch on line.  
Grudge, no quarter,  
drop the hammer  
our only hope.  
But drum beater:  
that's a non-runner.  
Profit's reality.  
An island legend  
backs gallantry,  
blinkers court applause.  
Just call me handsome and  
drive me home.  
Let the second last.
